

## College of Agriculture Announces RCR educational activities for Graduate students

During the January (2007) meeting of the Graduate Council in Agriculture, each department presented what they are doing at the graduate level to develop professionalism and ethics.

**ABE:** Recommends a course from a suggested list. There are also workshops on ethics the students can take instead of a full semester course.

**AGEC:** Requiring AGECE 602 as it covers many of the same topics as ENTM 612-Responsible Conduct of Research taught by Dr. Peter Dunn (Associate Vice President for Research).

**AGRY:** Requires ENTM 612 for their students

**ANSC:** Strongly encourages ENTM 612

**BCHM:** Requires ENTM 612

**BPP:** Requires ENTM 612 or HORT 601/603.

**ENTM:** Requires ENTM 612.

**FNR:** Requires ENTM 612.

**FS:** Requires ENTM 612

**HLA:** Requires both ENTM 612 and HORT 601/603.

**YDAE:** Has a 1 credit required course that incorporates topics discussed in ENTM 612.
