

**NOTE: This form *must* be completed and turned in by *all* master's and Ph.D. candidates at their final thesis deposit appointment. Please do not confuse this form with the ETD Form 9, linked elsewhere on this website, which is solely used by Ph.D.'s when submitting Electronic Thesis Deposits.**

**Please carefully read the following instructions and ensure you have properly completed this form and have obtained all required signatures and dates. Failure to do so will cause needless delays in your processing.**

## **G. S. Form 9, “Thesis Acceptance”**

This is a revised version (effective 7 June 2007) of the G. S. Form 9, which incorporates a number of significant changes. Included among these revisions are the ability to now add typed names and, to a certain extent, position titles underneath the signature lines. The size of the edit field in the thesis title section has also been expanded to better accommodate long titles.

**The “original” copy of this form *must* be printed on 100% cotton, non-acidic paper *prior* to having it signed by your committee members, major professor, et.al.** This is due to the following:

- Ph.D. candidates submitting via Electronic Thesis Deposit must still turn in their *original, signed* “Thesis Acceptance” form at their final deposit appointment. This copy of the form will be permanently maintained on file at the Graduate School. Accordingly, the Graduate School needs an “archival quality” copy of your thesis acceptance form to ensure it remains in good condition, since wood-pulp (“acidic”) paper deteriorates and fades with age.
- Ph.D. candidates who prefer to submit their dissertations in traditional “hard copy” form will also need to ensure an original completed and signed copy, printed on 100% cotton paper, is bound into the “deposit copy” they furnish at their final deposit appointment. However, please note that hard copy submissions will no longer be accepted once mandatory Electronic Thesis Deposit for doctoral candidates commences effective 23 August 2007.
- All other copies of your Thesis Acceptance form may be printed on regular copier paper, unless departmental requirements dictate otherwise.
- Candidates unable to immediately obtain 100% cotton paper from their department or workplace may contact the Thesis/Dissertation Office and it will be furnished to them at no charge.
