<sup>1</sup>Graduate Tuition Scholarships (GTS) are provided through the Graduate School as support for fellowships administered by the Graduate School, federal fellowships, or fellowships incurred through institutional commitments.

<sup>2</sup>Some fellowships require that the student pay no fees. Please refer to award. In most cases, there is not enough COPA (Cost of Program Allowance) left to cover anything after tuition. The Differential Fee will need to be paid by some other source.

<sup>3</sup>For external fellowships seeking to add an additional appointment, contact the Graduate School for assistance.

<sup>4</sup>Carver Fellowship - all fees covered except the differential fee.
