New Graduate Student Checklist

Please use this checklist as a resource to help you prepare for your entrance to the Purdue University Graduate School. **This is not an exhaustive checklist**, but rather is a starting point of tasks you will need to complete before or shortly after classes begin. The information provided in this Welcome Packet should help you with the tasks below. If you have questions, please contact the specific Purdue University office referenced below or your graduate program. You may also visit the admitted student webpage at www.gradschool.purdue.edu/welcome/accept.cfm for additional resources and information.

- 1. Accept Offer of Admission.** Even if you have notified your program whether or not you will be coming to Purdue, please complete the Graduate School's online enrollment form. If you haven't already, you can complete the online enrollment form by visiting the Graduate School's online application system at <https://app.applyyourself.com/?id=purduegrad>. Once you have logged in, click on the link "Your application decision is now available online." Within your decision letter you will find a link called, "Click here to submit your response to the offer of admission."
- 2. Research funding, including financial aid, fellowships, or scholarships, if necessary.** Check out the Graduate School's Funding Database at https://ias.itap.purdue.edu/rqs/wfd_funding.Search_form.
- 3. Visit the Graduate School's Facebook page for Admitted Students.** The Admitted Student Facebook Page was created to offer students a way to easily ask questions to both staff and current students. You can also electronically "meet" other students from your program prior to arriving on campus. Additionally, the Facebook page is a great ongoing resource for campus news, funding opportunities, housing information and general advice. Visit the URL to join: <https://www.facebook.com/PurdueGradAdmit>
- 4. Ask your program for the date you are expected to arrive and determine how you will arrive to the West Lafayette area.** If you will be driving to campus, see <http://www.purdue.edu/purdue/visiting/directions.html> for directions to the Purdue University visitor information center. If you are arriving by airplane, you can take a shuttle from either Chicago's O'Hare Airport or Indianapolis International airport:
 - Shuttle service from Chicago O'Hare International Airport: Express Air Coach, <http://ww2.expressaircoach.com/>
 - Shuttle service from Indianapolis International Airport: Lafayette Limo, <http://www.lafayettelimo.com/>
- 5. Make sure you fulfill the State of Indiana's immunization requirements.** You will need to submit official documentation of your immunizations and may need to get the required vaccinations before arriving (see page 9).
- 6. Activate your Purdue career account** (page 4).
- 7. Get a student identification (ID) card at the Card Services Office** (page 7).
- 8. Set up your Purdue email account** (page 4).
- 9. Update your contact information upon moving.** Visit myPurdue (www.mypurdue.purdue.edu) and go to "Personal Information" under "quick links" on the left side of the screen.

- **10. Sign up for health insurance.** University regulations state that International Students and Graduate staff students with benefit eligible assistantships **must** have health insurance. Benefit eligible Graduate staff students have the opportunity to sign up for health insurance in the first few weeks after arrival on campus. International students **must** purchase the University sponsored plan unless you qualify for a limited waiver. See [Health Insurance Waiver form](#) for International Students. See the [Grad Student Insurance Web page](#) for more complete information. Domestic students who opt out of the Graduate-Staff University plan may be asked to provide Staff Benefits with information on the alternative health insurance plan. Domestic students not on an assistantship or eligible for benefits are encouraged, but not required, to have health insurance.
- **11. The Student Health Center** requests that you carry your insurance card at all times and present it to any health care facility you may visit, including PUSH (Purdue University Student Health Center).
- **12. Register for classes.** Each program handles this differently. Contact your program for information. For a list of available courses, visit <http://www.mypurdue.purdue.edu/schedule>.
- **13. Get a parking permit, if needed** (page 6). You need to register for classes before you can get a parking pass.
- **14. Pay your fees, if any, by the due date on the bill mailed to you** (page 10). If fees are not paid by the due date, you may incur late fees and your registration may be cancelled.
- **15. Confirm your registration.** Paying your fees automatically confirms your registration. If you do not owe anything in fees, you must log on to myPurdue and confirm your registration when your account statement arrives by postal mail. The Bursar's office no longer mails out paper copies; all invoicing is done electronically through myPurdue's new eBilling feature.
- **16. Attend the New Graduate Student Convocation.** Each spring and fall semester on the Friday before classes begin, the Graduate School hosts a convocation to welcome new graduate students to Purdue. Be sure to watch your email for more details.
- **17. Find Housing** (page 5). Make sure your utilities will be turned on before you move in (page16).

Purdue Career Account, myPurdue, and MyMail

What is my Purdue career account? Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is created when you are admitted to Purdue and is yours to use for as long as you are affiliated with Purdue. You can store files in your career account and access them any time, anywhere on campus. Your career account *alias* comprises the part of your email address before the @purdue.edu.

To activate your career account you need your Purdue University Identification Number (PUID), which was provided in your online admission decision letter. (See the New Graduate Student Checklist's item 1, on page 2 of this document, for instructions on accessing your online letter.) You will also need a career account set-up password. The career account set-up password was sent to you by email from the Graduate School's Admissions office after you reviewed your online admission decision letter. If you have not yet reviewed your online admission decision letter from the Graduate School, please do so to receive your initial career account set-up password. Please access <https://www.purdue.edu/apps/account/AccountSetup> and use your PUID and career account set-up password to activate your account. If you have any questions regarding how to set up your career account, email or call ITaP at itap@purdue.edu or (765) 494-4000. Please be prepared to provide your career account login when you contact ITaP.

What is myPurdue? www.mypurdue.purdue.edu is the portal system where you can access your academic and financial account information. The software package is called Banner, so you may hear faculty and staff members refer to it by that name as well. You will need your career account login and password to log in to myPurdue. Some of the benefits of myPurdue include:

- Online course registration in real time
- Online credit card payment for tuition
- Access to your financial aid information
- Access to your personal information such as emergency contacts and mailing address

What is Purdue MyMail? MyMail allows you to access your Purdue email. To log into MyMail, visit <https://mymail.purdue.edu>. You will need your career account login and password to access MyMail.

Your individual MyMail account is already created, but you will have to change the current settings from "reject" to either "store" (so you can receive emails) or "forward" (so you can forward them to a different email account). Do NOT set your email to "reject" because your @purdue.edu email account is where all official email from Purdue will be sent, including your fee statements. If you have questions related to service settings, you can view the instructions provided by ITaP at <https://www.purdue.edu/goldanswers/app/portlets/results/viewssolution.jsp?solutionid=040967644926000>. If you have any questions, email or call ITaP at itap@purdue.edu or (765) 494-4000. Please be prepared to provide your career account login when you contact ITaP.

Housing

Purdue University is located in West Lafayette, Indiana. West Lafayette and its neighboring city Lafayette boast a low cost of living. This makes finding housing on a graduate stipend easier.

On-Campus Housing

Purdue offers on-campus housing options for graduate students. On-campus housing is popular, so you will need to apply soon. Visit the following Web sites for more information:

Purdue Village: Apartment-style campus housing for married students, students with families and graduate students. Call (765) 494-2090 or visit http://www.housing.purdue.edu/html/Housing/Purdue_Village_Married_&Family_Housing/Default.htm.

PRF Residential Housing: PRF Residential, a division of the Purdue Research Foundation, is responsible for the rental and maintenance of approximately 315 rental units (both apartments and houses) close to campus. Call the PRF Leasing office at (765) 496-6245 or visit http://www.prf.org/prf_residential.asp.

Off-Campus Housing

If you are interested in off-campus housing, consider both West Lafayette and Lafayette. Lafayette is directly across the river from West Lafayette. Many Lafayette apartments are less expensive than those in West Lafayette, and some are within walking distance of campus. Because the availability of parking permits may depend on how far you live from campus, you should familiarize yourself with Purdue's parking regulations. Visit <http://www.purdue.edu/parking/students.htm> to familiarize yourself with university parking regulations, and review the Transportation Information on page 6.

Ashley Darnell, Purdue's Assistant Director of Off-Campus Student Services, will help graduate students find suitable off-campus housing. A website will be developed in the future, but for now, students may directly contact Ashley for assistance at adarnel@purdue.edu.

Begin your off-campus housing search using the following links:

- www.boilerapartments.com
- www.apartments.com
- www.apartmentguide.com

In addition, two local newspapers' classified advertising sections list apartments and houses for rent:

- Exponent student newspaper: <http://www.purdueexponent.org/>
- Journal and Courier newspaper: <http://www.jconline.com/apps/pbcs.dll/frontpage>

Many apartment complexes are located on city bus routes. City Bus is free to students and employees carrying their Purdue identification card. Remember to check potential bus schedules to see if they match your graduate student schedule. If you are planning to stay in the area during the summer, be sure to check the summer bus schedules, as some routes do not run as frequently or at all during the summer. Visit <http://www.gocitybus.com/> for schedules and routes and see the Transportation information on page 6.

[Table of Contents](#)

Transportation

University Parking is located in the Visitor Information Center, 504 Northwestern Avenue, <http://www.purdue.edu/parking/index.htm>.

Parking Permits

In order to park in parking lots or garages without getting a ticket, you must buy a parking permit. Parking permit options are outlined below:

C-Permits: Any registered student whose local place of residence is outside an area of **at least 1.5 miles from campus** may purchase a "C" permit. In general, the physical limits are Airport Road, the Wabash River, Cherry Lane and the railroad tracks bordering the South edge of campus. If you have any questions concerning a specific address, please contact University Parking. To purchase a "C" permit, each student must provide proof of address and a valid driver's license. Permits may be purchased for the calendar year beginning August 1. Permits must be returned to University Parking upon ineligibility. See <http://www.purdue.edu/parking/bulletin.htm> for additional information.

A-Permits: Students employed by Purdue at least 30 hours per week are eligible to purchase an "A" permit per year or a less expensive "**B**" permit. Eligibility forms are available in the University Parking office. The eligibility form must be completed by the program that is employing you, and returned at the time you wish to purchase the permit. Student employees are not eligible for payroll deduction. Permits must be returned to University Parking upon ineligibility.

Disability Parking: Students may apply for disability parking through the University Parking office.

Student Housing Parking: Students living in a residence hall or Purdue Village need to contact their main office for information about obtaining a permit.

Any person operating and/or parking a motor vehicle on campus must comply with all Purdue University traffic and parking regulations.

City Bus

City Bus provides a number of routes in both West Lafayette and Lafayette. Riders who show their Purdue Student Identification Card ride for free. Visit www.gocitybus.com to see the numerous bus routes. Keep in mind as you search for housing (see page 5) that many graduate students take classes or work in their labs at night and many bus routes do not run at night. If you are planning to stay in the area during the summer, be sure to check the summer bus schedules as some campus routes do not run as frequently or at all during the summer.

How to Get to Purdue

If you will be driving to campus, see <http://www.purdue.edu/purdue/visiting/directions.html> for directions to the Purdue University visitor information center. If you are flying to the Purdue area, you can take a shuttle from either Chicago's O'Hare Airport or the Indianapolis International Airport:

- Shuttle service from Chicago O'Hare International Airport: Express Air Coach, <http://ww2.expressaircoach.com/>
- Shuttle service from Indianapolis International Airport: Lafayette Limo, <http://www.lafayettelimo.com/>

*****ATTENTION*****

State Immunization Requirements for Enrolled Students

Indiana state law requires all new, regularly enrolled students attending residential campuses of Indiana public universities be immunized against rubeola (10 day measles), rubella (German measles), mumps, diphtheria, and tetanus. In addition, international students must be tested for tuberculosis **after** arriving in the United States. This law requires the University to block the enrollment of any student who does not comply with immunization requirements. Evidence of immunization or immunity may be documented by completion of the Purdue [Health History Form](#) (due by the first day of classes) and signed by a healthcare provider or other record keeper. Other immunization records acceptable to the Indiana State Department of Health also may be used to document compliance with the immunization requirements. These are:

1. A physician's certificate
2. Immunization records forwarded by another school
3. A record maintained by a student or parent showing the month and year during which each dose of vaccine was administered.

Requests for exemption to these requirements based on religious grounds must be made in advance and signed by the student. A medical exemption will be granted upon receipt of a written statement from a healthcare provider indicating the nature and duration of the medical condition which contraindicates an immunization, along with the specific vaccine identified as detrimental to the student's health, certifying pregnancy or suspected pregnancy, or verifying that the student is currently completing the course of all required immunizations.

In the event of an outbreak of any of the vaccine preventable diseases covered by this law on or near campus, students holding exemptions will be excluded from all campus activities, for their protection, until the outbreak is declared to be over. Medical exemptions expire when the medical condition(s) contraindicating immunization change in a manner which permits immunization.

Immunizations required by the state of Indiana for enrollment for ALL students	
Rubeola (Ten Day Measles)	Two doses of live vaccine administered after first birthday
Rubella (German/3 Day Measles)	At least one immunization administered after first birthday
Mumps	At least one immunization administered after first birthday
Tetanus/Diphtheria	Td booster must have been given within last 10 years
International students only	
Tuberculosis test	Test must be done after the student arrives in the U.S. and within 3 months of attending Purdue University.

State-required immunizations are available at the Student Health Center and through other healthcare providers.

For the most current information regarding immunization requirements and costs, visit <https://www.purdue.edu/push/appointments/immunreq.shtml>.

Warning Sirens

The All-Hazards Emergency Warning sirens warn you to take shelter inside a building in a safe location and seek additional information by all means.

A Fire Alarm means you should evacuate the building immediately.

The Emergency Management Siren Tests are conducted the first Saturday of every month for three minutes if the skies are clear. Your Purdue University building or residence hall may run a practice fire alarm, or fire drill, on occasion.

Severe Weather

Tornadoes

A tornado **watch** is issued when conditions are favorable for tornado formation. A tornado **warning** is issued when a tornado has been detected and may be approaching. In this locality, a continuous siren signal lasting more than two minutes signifies a tornado warning. Tornado warnings are broadcast by the University television system and radio WBAA (AM 920), and by local commercial radio and television stations (WLF1 Channel 18). When you hear a tornado warning, you should take shelter immediately in a reinforced concrete building, which describes most campus buildings. Evacuate the top floor and go to the lower floors or basement by the nearest stairway. Avoid auditoriums, gymnasiums, and other areas with wide-span roofs. Avoid wood-frame buildings and stay clear of windows and glass areas. Be prepared to kneel and cover your head. If you are in a building with no basement, get under heavy furniture near the center of your house. Do not remain in your car, a trailer, or a mobile home. If you are outdoors, lie flat in the nearest depression, ditch, or ravine. Remain in the sheltered area until the all-clear signal is given via radio or television.

Earthquakes

If you are indoors, don't rush to get outside. Get under a desk or a table. Stay away from windows and outside walls. If you are outdoors, get into an open area away from trees, buildings, walls, and power lines. If you are driving, pull over to the side of the road and stop. Avoid overpasses and power lines. Stay inside your car until the tremors cease.

Sign Up for Text Message Alerts

To receive text messages in the case of an emergency, go to www.purdue.edu/securepurdue/. Click on the "Change Your Password" icon and log in with your career name and password. (Directions for creating a career account and password are provided on page 4 of this packet.) Then click on "Emergency Contact Information" under the "Account Tools" list in the left column. Enter your cellular telephone number. (Please contact your service provider to ensure that your phone can receive such messages and to determine if there is an additional cost.)

There is no need to subscribe to emergency e-mail notifications. This has been done for you.

Registrations

Customers have many ways to access Bureau of Motor Vehicle (BMV) services. Simple transactions, such as registration renewals and changes in some customer information, can be done by using the enhanced and secure myBMV.com Web site.

Registering a Car

Lafayette
Bureau of Motor Vehicles (BMV)
2200 Elmwood Avenue, Suite C1
Lafayette, IN 47904
(765) 448-3738

West Lafayette
Bureau of Motor Vehicles (BMV)
720 West Navajo Street
West Lafayette, IN 47906
(765) 464-1525

The cost of registering a vehicle varies according to model, year, make, and county. Bring the following items or pieces of information to the Bureau of Motor Vehicles (BMV) when registering a car:

- Out of state title
- The name of your insurance company and policy number
- An affidavit showing a police officer has verified your vehicle identification number (VIN). To obtain the affidavit, go to the license branch and pick up a Police Check form. Inspection may be done by the Lafayette police, West Lafayette police, the Tippecanoe County Sherriff's Department or the Indiana State Police. Visit <http://www.in.gov/bmv/> for the most current information.

Driver's License Information

The **Bureau of Motor Vehicles (BMV)** has introduced new security measures to protect valuable credentials such as driver's licenses and identification cards. The BMV is issuing SecureID driver's licenses, permits, and identification cards to those who provide proper documentation of their identity, legal status, Social Security number, and Indiana address. Also, all permanent credentials are mailed from a secure, government-run location. Visit <http://www.in.gov/bmv/3573.htm> to read the list of approved documents.

If you have questions or trouble collecting your documents, you can call the BMV toll-free at 1-888-myBMV-411 (1-888-692-6841) and speak with a customer service representative for help, or visit any Indiana license branch for assistance.

Voter Registration

You are eligible to vote if you meet the following requirements:

- you are a U.S. citizen
- are not currently in prison after being convicted of a crime
- are at least 18 years old
- have resided in your precinct at least 29 days before the election in which you will be voting, and
- have applied to register to vote at least 29 days before the election, and
- your application must be approved.

Applications are available from a variety of locations. Forms may be completed at the **Bureau of Motor Vehicles (see above)**, the Lafayette and West Lafayette city clerks' offices and the Voter Registration Office in the Tippecanoe County Courthouse, 301 Main Street, in downtown Lafayette. See <http://www.in.gov/sos/elections/2403.htm> for additional information and registration forms.

Bookstores

Once you are registered for classes, you may know what books you will need to buy. There are a number of bookstores on campus, or you can find your textbooks online at Web sites such as www.amazon.com and www.half.com. If you want to know what books are required for your courses and you know the course number and professor's name, visit www.purdueu.com and click on "Textbooks" or visit <http://www.purdue.edu/VPSS/textbooks/textbooks.php>. Also, the approaching Fall 2010 semester marks the first semester that campus bookstores will be offering the option to rent textbooks. Visit Follett's or University Bookstore for a list of texts available to rent (only select titles will be available). Barnes and Noble also offers textbook rental through their website.

You can also buy a Purdue Mortarboard at many of the bookstores listed below. The Purdue Mortarboard is an academic calendar that also features all official University holidays and breaks, athletic events, and the hours of operation and telephone numbers for many Purdue University offices. See <http://web.ics.purdue.edu/~mortarbd/calendar/> for more information.
